

## QUALITY POLICY

JV&H Corporation is committed to the domestic and international production and marketing of flexible packaging for the food and mass consumption industry, maintaining quality and taking care of safety at all stages of the production chain.

JV&H has decided to implement a Quality Management System based on ISO 9001:2015 to improve the service it provides to its customers.

JV&H's General Management focuses the Quality System as a way to organize the operation of the organization based on basic pillars such as the Quality of its products, customer satisfaction and the commitment to the continuous improvement of the Quality Management System. To this end, the JV&H Quality Management System is based on the following commitments:

- Quality and its improvement are responsible for all JV&H members starting from above.
- Quality is obtained by planning, executing, reviewing and improving the Management System, keeping in mind the purpose and context of the organization, both internal and external.
- Quality is oriented towards the Satisfaction of all our customers (and stakeholders), we support the commitment of the whole organization to meet their needs and requirements, as well as the legal and regulatory requirements and those of the products.
- Quality is based on continuous improvement of both production and service delivery processes, as well as the effectiveness of the Quality Management System in which preventing errors is a fundamental aspect.
- Quality directs us to pay maximum attention to technological developments and possible improvements that new technologies put at our disposal.
- Quality requires the training, competence, participation and collaboration of all so this Policy is disseminated to all the staff of the organization for their knowledge and understanding.

This policy also aims to provide a framework for the establishment of quality objectives. In addition, for the effective application of these principles, it is absolutely necessary to support the missions of both the management and all the employees of the organization.
